- библиотека в формате NIST Search
- библиотека в формате AMDIS
- библиотека в формате Agilent ChemStation
- библиотека в формате Agilent MassHunter
- список содержимого библиотеки
- список содержимого библиотеки
- список новых позиций

Сводная библиотека включает спектры метаболитов преимущественно в виде триметилсилильных и метильных дериватов, включает многие рабочие структуры и линейные индексы удерживания.

В сводную библиотеку вошли спектры, опубликованные для свободного использования в открытых источниках, в том числе в библиотеках CAYMANSPECTRALLIBRARY, SWGDRUG, rf-des_drug, pub_cann, на интернет ресурсе sudmed.ru, в научных публикациях.

Условия использования

Ограничение ответственности [ver. 30.09.2019]

Любой конечный пользователь информации, независимо от профессии, несет ответственность за независимую проверку своих решений относительно окончательной идентификации лекарств, НСПВ или их метаболитов в анализируемых биологических образцах.

Мы делаем все возможное, чтобы собрать библиотеку высокого качества. Тем не менее, нет таких баз данных, в которых не было бы каких-либо ошибок или промахов.

Данные для Библиотеки SUDMED MS берутся из разных источников российского профессионального сообщества и из различных научных открытых источников со всего мира. Несмотря на то, что были предприняты все усилия, чтобы избежать ошибок, ни SUDMED MS, ни любой поставщик исходных данных не будут нести ответственность за последствия любых ошибок, которые могли быть пропущены. Мы не даем никаких гарантий от этого и не несем ответственности за любой ущерб, который может возникнуть в результате ошибок в Библиотеке.

Когда вы найдете новые ошибки или промахи, пожалуйста, сообщите нам по электронной почте petchnikov@gmail.com.

Доступ к этой Библиотеке бесплатен для ученых и специалистов в научных и экспертных целях. Вы можете использовать, копировать и распространять копии Библиотеки SUDMED MS на любом носителе для этих целей, при условии, что вы сохраняете нетронутыми всю Библиотеку SUDMED MS и это уведомление.

Запрещено использовать оригинальные спектры библиотеки SUDMED MS для получения прибыли; запрещается также коммерческое использование всей библиотеки SUDMED MS или ее частей, включая подключение библиотеки SUDMED MS или ее частей к коммерческим базам данных или любым другим типам коммерческих информационных систем, без получения от нас соответствующего разрешения и без заключения соответствующего соглашения.

Мы также просим, чтобы при использовании данных нашей Библиотеки в публикации, презентации приводилась корректная ссылка на Библиотеку SUDMED MS:

Если вы не принимаете настоящие Условия использования, вы не должны использовать Библиотеку SUDMED MS.

Disclaimer of Liability [ver. 30.09.2019]

It is the responsibility of any end-user of the information, regardless of profession, to ensure that its decisions

regarding the final identification of drugs or their metabolites in analyzed biological specimens are independently verified.

We are doing our best to compile high quality Library. However, there are no such databases without any errors or mistakes.

The data for The SUDMED MS Library originates from various sources of The Russian Professional Community and from various scientific open sources from worldwide. While every care has been taken to avoid errors, neither The SUDMED MS nor any supplier of the original data will be held liable for the consequences of any errors which may have been overlooked. We make no warranties to those effects and shall not be liable for any damage that may result from errors in The Library.

When you find new errors or mistakes, please inform us by email petchnikov@gmail.com.

Access to This Library is free of charge for scientists and specialists in the science and expert purposes. You may use, copy and distribute copies of The SUDMED MS Library in any medium for these purposes, provided that you keep intact entire The SUDMED MS Library and this notice.

It is prohibited that you use original SUDMED MS library spectra for profit-making; commercial use of whole The SUDMED MS Library , or its parts prohibited also, including connection The SUDMED MS Library, or its parts to commercial Databases or to any other types of commercial information systems, without obtaining proper permission from us and without concluding an appropriate Agreement.

We also request that when you use the data of our Library in your publication, presentation a proper acknowledgement be given:

*sudmed-ms.ru/load/oficialnye_sborki_biblioteki/2
www.sudmed.ru/index.php?showtopic=6924*

If you do not accept these Terms and Conditions, you should not use The SUDMED MS Library.
